SAN DIEGO

Celebrating 20 Years

CORONADO

Situated just across the bay from downtown San Diego, Coronado is consistently voted best beach in the U.S. by Dr. Beach. With gentle surf, sparkling wide-sand beaches, and a charming main street, this island paradise is perfect. Coronado's coastline offers wide sandy beaches with sparkling sand. With its elegant gardens, old-world mansions, quaint shops, and oceanfront dining with spectacular sunset views, it's no wonder this charmed small town has been dubbed "The Crown City," as Coronado means "the crowned one" in Spanish.

HOTEL DEL CORONADO

Built in 1888 and designated a National Historic Landmark, the Hotel del Coronado has a fascinating and colorful past, which includes presidents and princes, socialites and scandals, ghosts and glamorous celebrities. It's also widely believed to have been the inspiration for the Emerald City in L. Frank Baum's "Wizard of Oz" as the author spent many winters at the oceanfront hotel.

SAN DIEGO

The heartbeat of every city lives in its downtown, and San Diego is no exception. Just a 15-minute ferry ride from Coronado, San Diego's thriving urban center offers an abundance of options for activities, dining and cultural attractions, all easily accessible by foot, bike, car or public transportation. In the historic Gaslamp Quarter, where modern architecture and Victorian-Age buildings stand side-by-side, you'll discover eclectic galleries, chic boutiques, trendy nightclubs, rooftop bars, gastropubs, craft beer haunts and fine dining restaurants lining the streets.

A detailed agenda will be provided in the coming months. Meeting attire is business casual for all events.
