WASHINGTON D.C.

Join Us For a Monumental Time

Monuments and memorials, eclectic neighborhoods, true local flavor – Washington, DC is a place unlike any other. It's your home away from home with free museums and America's front yard.

DISCOVER AMERICAN HISTORY IN THE NATION'S CAPITAL

Adventure through American history in Washington, DC, a city brimming with exciting experiences, some of which literally date back to the founding of our nation (we're looking at you, Declaration of Independence). Not only is DC filled with exciting history and heritage, it's also been called the "capital of free" for the many attractions and museums that cost nothing (or very little) for you.

GO WILD AT ONE OF THE NATION'S MOST POPULAR ZOOLOGICAL PARKS

It's not all elephants and donkeys in DC. A short walk from Washington Marriott® Wardman Park, at the National Zoo, visitors can find all sorts of animals that don't subscribe to party lines. Lions, tigers, giraffes and the zoo's beloved giant pandas are just some of the 2,000 animals that call the 163-acre park home.

A detailed agenda will be provided in the coming months. Meeting attire is business casual for all events.
